

Don't Forget to Log Your Points!

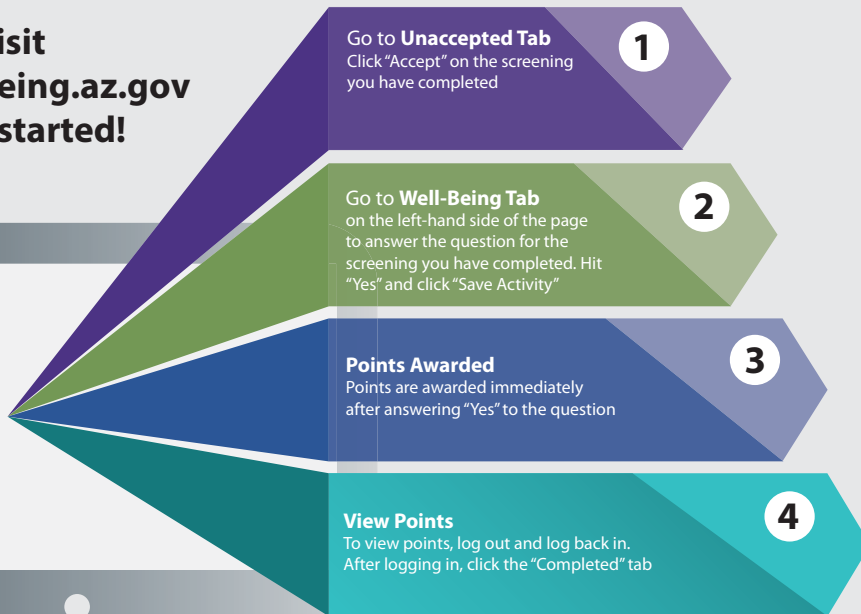

Track your health screenings, activities, and programs on the HIP site by December 31, 2018, to receive points!

How to Log Your Points

Visit totalwellbeing.az.gov to get started!

Earn points when you complete health screenings, activities, and programs!

We will be performing our routine program validation after the first of the year.

The screenings, activities, and programs you log on the site will be compared to our health vendor files. If they do not match the vendor files, you will be contacted by Telligen (stateofarizona@telligen.com) to provide adequate documentation in a timely manner to receive your incentive.
